In mathematics, students at level 3 increased **BY AN AVERAGE OF 19%** and level 4 by an **AVERAGE OF 35%**. Most students felt **MORE CONFIDENT IN THEIR MATH SKILLS** by the end of the summer.

# WRITING OUR WORLD (WOW)

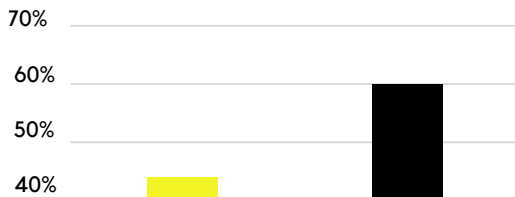

## DATA FROM REDWOOD LITERACY'S SUMMER PROGRAM 2023

The Writing Our World (WOW) writing curriculum was built specifically for Redwood students. By focusing on fundamental writing skills at age-appropriate levels, the curriculum provides a framework for students to develop sentence and paragraph structure. In K-2nd grade, students focus on sentence level features. After mastering these skills, the curriculum begins to focus on single paragraph objectives (SPO).

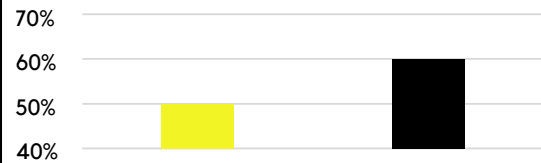

### SENTENCE LEVEL SKILLS

Over the 6-week summer program, students **INCREASED MASTERY** of sentence level writing skills by an **AVERAGE OF 9%**.

Students Initially: <75% Mastery of Skills

Sentence Level Skills

**80% OF STUDENTS** who began the summer with less than 75% mastery of skills with an average **INCREASE OF OF 16%**.

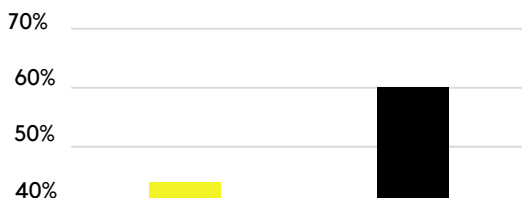

#### SAMPLE SKILLS:

Include a WHO or WHAT	Utilize expanded vocabulary	Use a dependent clause
Include a WHAT'S HAPPENING	Answer the 5WH questions	Use an appositive

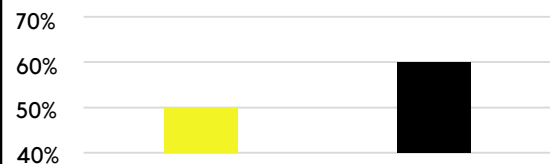

### SINGLE PARAGRAPH SKILLS

Over the summer, students **INCREASED MASTERY** of single paragraph objectives by an **AVERAGE OF 28%**.

Students Initially: <75% Mastery of Skills

Single Paragraph Skills

**92% OF STUDENTS** who began the summer with less than 75% mastery of skills with an average **INCREASE OF OF 30%**.

#### SAMPLE OBJECTIVES:

Understand the importance of planning	Write a strong, clear topic sentence (t.s)
Identify topic, audience, and purpose	Write a strong concluding sentence
Turn a SPO into a full paragraph	Distinguish between t.s. and supportive details
